

August 2009

To the Sun Ranch Owners Association members:

I have been coming to my property at Sun Ranch for 15 years now. I have attended all the annual meetings and have been appalled at the actions at the meetings. Arguing, fussing and complaining were present at every annual meeting and a pushing and shoving-match at a few meetings. There are a handful of members that just have to be angry with the board no matter who is on it.

I decided 7 years ago that I wanted to be a part of the board to try and change the way people thought of the board, by making it more professional and keeping people more informed, which I feel I accomplished. During my tenure, I believe, I have sent more newsletters than all previous boards combined. My minutes are in order and the standard has been proudly set high for the next secretary.

I have thoroughly enjoyed being the Secretary of Sun Ranch for so many years but I take this job very seriously and to heart. Because of the increased anger by these few property owners and continued lack of respect for the Board of Directors and Officers I have decided to resign my position as Secretary.

I wish the future boards of Sun Ranch the best of luck.

Sincerely,

*Tina Dennis*
